BOARD OF EDUCATION

A MESSAGE FROM THE BOARD OF EDUCATION

There is a French motto, "noblesse oblige", which means, "Rank imposes certain obligations".

It was originally applicable to people of noble birth. The modern world has to a large extent, particularly in the United States, done away with an hereditary nobility. There should be substituted in its place a nobility based on education and service.

To this year's class of graduates of the Audubon High School, I wish to say that the education which you have received is equivalent to a college education of a century ago, and while it seems common enough in our own locality, compared to the entire country, you have received a better education at this point than the average American boy or girl, and while that education may give to you certain advantages over those not so fortunate to have received such an education, it also imposes on you certain responsibilities in relation to public life.

We live in a representative democracy. This type of government is based on the theory that the government is a means to an end, and not an end in itself. The end is happiness, prosperity, and development of the individual, and the government must interfere with the rights of the individual only far enough to protect and guarantee the corresponding rights of all other individuals. The object is to permit each citizen to develop his own personality, and to be as successful as his own ability and industry will warrant.

On you young people, who have had the privilege of an education, rests the responsibility, not of dictating to public opinion, but of assisting in formulating it and leading it into proper channels.

ARJA HOPKINS, President.

Education must transmit what is best and basic in the social heritage, the experience and values men live by. It must enable youth to acquire the skills, the cultural resources, the power of thinking, sufficient to live in and adjust to a rapidly changing environment. It must produce a citizenry intelligent enough to follow the leader, not the demagogue or the special pleader. But education must train the intellectually advantaged in the techniques that will make it possible for mankind to exert an increasing measure of social control over life in all its phases.

HIGH SCHOOL PRINCIPAL

The Freedom to Think, I conceive to be the very essence of democracy. That phrase, by the way, is not my own. It was recalled to my mind recently when I listened to a discussion by a distinguished lecturer. It comes from Lowell's "A Fable for Critics":

And I honor the man
Who is willing to sink
Half his present repute
For the Freedom to Think.

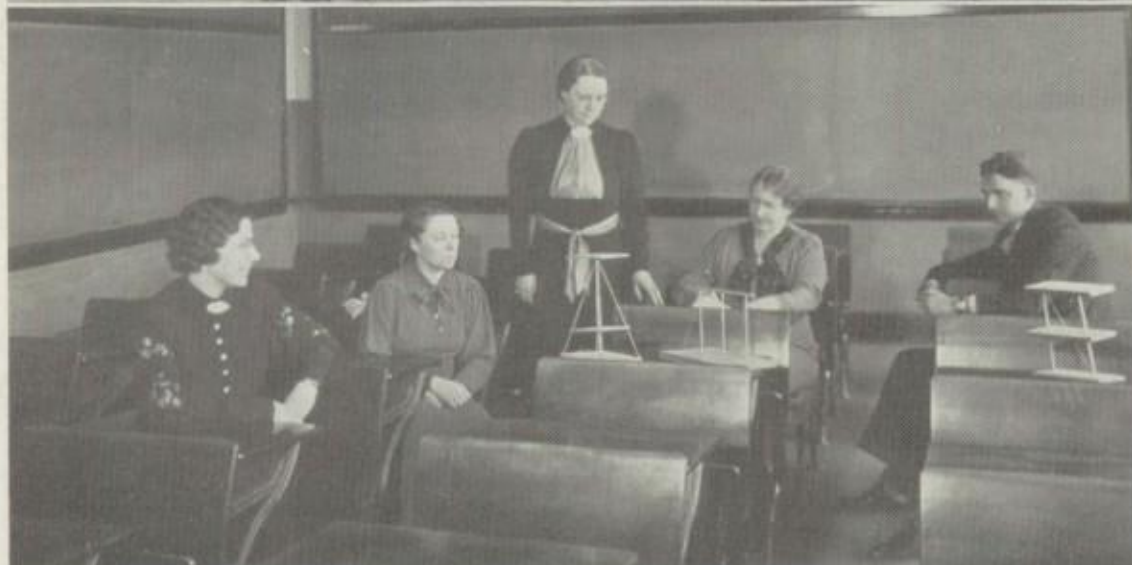

This lecturer took a realistic attitude. He understood that in the very nature of things, it is impossible to prevent intelligent young people from knowing that there are controversial questions. Shall they get their impressions from irresponsible propagandists, or shall they consider these questions calmly and dispassionately under the guidance of leaders who do their level best to present both sides without any remote attempt to influence conclusions? Freedom to think? Yes. But freedom limited by considerations of good taste and sane regard for the other fellow.

The Student Government has organized a new monitor system in the cafeteria, as well as an efficient assembly committee. By gaining the cooperation of the students, this body has eased the traffic problem between classes by requiring that students go up by certain stairways and down by others. Important as are these innovations, most significant is the fact that the organization has at last really earned the respect of the whole student body.

HIGH SCHOOL PARENT-TEACHERS' ASSOCIATION

OFFICERS

President. . Mrs. Richard Crosset
Vice Pres. Mr. Paul Dare
Secretary. . Mrs. Otto Wortman
Treas. . . Mrs. Douglas Maynard
Cor. Sec. . . Mrs. Anthony Ayres

This group, an important link between the home and the school, studies the problems pertaining to the students and attempts to solve them. Its gifts to Audubon High School have been many; two of which were a donation for the Drum and Bugle Corps uniform fund, as well as one hundred and fifty dollars accumulated this year by means of chain luncheons for student welfare.

AUDUBON FATHERS' ASSOCIATION

OFFICERS

President. Mr. Harry Peltz
Vice Pres. . . Mr. Watson Cooper
Secretary. . . Mr. Otto Wortman
Treasurer. . Mr. Albert Gleaner
Fin. Secretary. . Mr. Paul Dare

This organization, which brings the fathers together socially, assists, in every way it can, the welfare of the students. Its outstanding contributions to the school have been a Beloptican, a flag for the stadium, and annual awards to boys and girls showing notable achievement in various fields of endeavor. However, its most worthwhile accomplishment has been the establishment of the student loan fund. Twenty members of the alumni have received approximately twelve hundred dollars. Returned loans become a circulating fund to assist other graduates.

SEASONAL HIGHLIGHTS

First Season — 1934 - 35

In September our class was assembled by our teachers, Miss Ayres, Miss Schaffer, Miss Lininger, Miss Demaree, Miss Baker, and Miss Borstein. Many new students from Mt. Ephraim and Runnemedede enrolled in our school, making our class a large one. During this year we were busy acquainting ourselves with our new and bewildering surroundings. Thus, we were paving the way for the future by absorbing all new material and preparing ourselves for our next term.

Second Season — 1935 - 36

The second season found our class under the capable direction of Miss Borstein, Mr. Neel, Mr. Oldham, Mr. Heritage, Mr. Lambert, and Miss Satterfield. Our officers were president, Robert Van Dexter; vice president, Leon Walker; recording secretary, Harriet Marsh; corresponding secretary, Dorothy Sauerwein; treasurer, Louise Rost. Our first activity was our well-attended class party, which was a complete success in that it was the first sophomore party that made money in the high school history. With this accomplished, we looked forward eagerly to our third season.

Third Season — 1936 - 37

With the help of Mrs. Weeks, Mrs. DuBell, Mrs. Anderson, Mr. Lance, Mr. Jaggard, and Mr. Troutman, who loyally supported us in every activity, we began our third season. The officers we elected this year were president, Philip Warnke; vice president, Leon Walker; corresponding secretary, Anna Benzenhoffer; recording secretary, Lillian Wallace; and treasurer, Ruth Hall. Our movie benefit and junior play, "Growing Pains," were well supported. So far as financial endeavor is concerned, our junior year was the most successful.

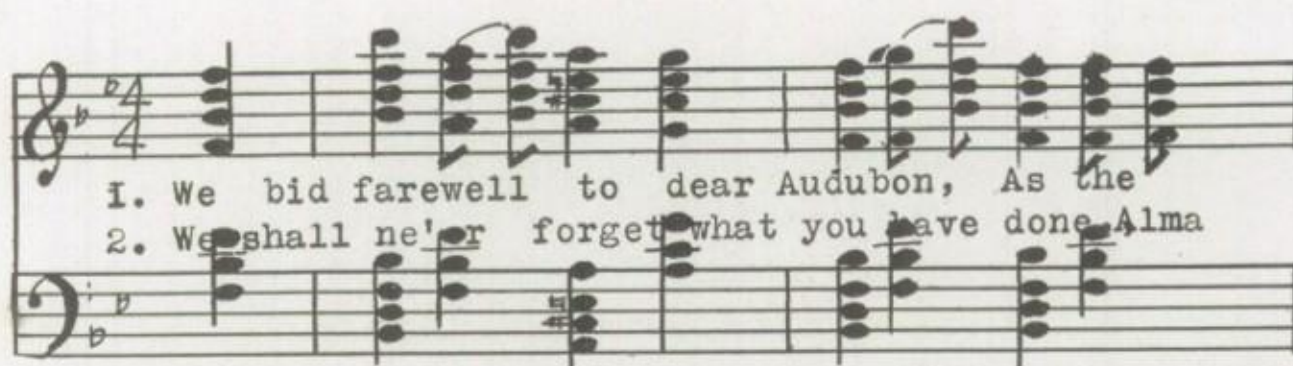

Fourth Season — 1937 - 38

Our fourth and last season! Under the guidance of Miss Dornbach, Mr. Neel, Mr. Keyburtz, Mrs. Lance, and Mrs. Schuler, we carried on. Our officers were president, Philip Warnke; vice president, Leon Walker; secretary, Lillian Wallace; and treasurer, Robert Van Dexter. The dramatic offering this year was "Skidding." The success of all our extra-curricular activities, however, was crowned by the apex of secondary school athletic endeavor, a State Championship in football.

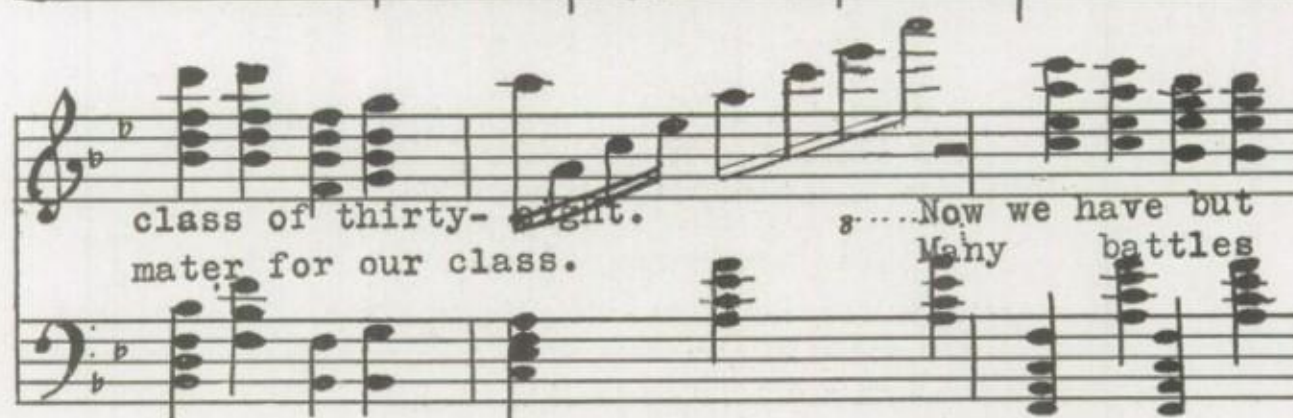

Our secondary education has been completed. What we get from it depends upon what we have put into it. Now we eagerly await the opportunity to make a place for ourselves in the world. This, the supreme test of factual knowledge, character and personality, developed by schooling, must be met squarely and taken in stride.

CLASS SONG

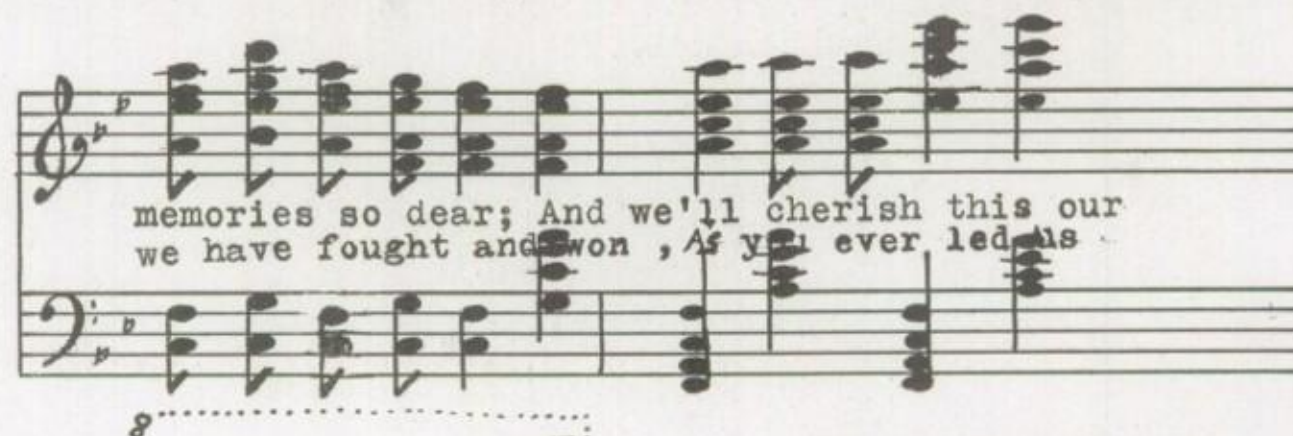

Words and Music by
CHARLES H. REIF

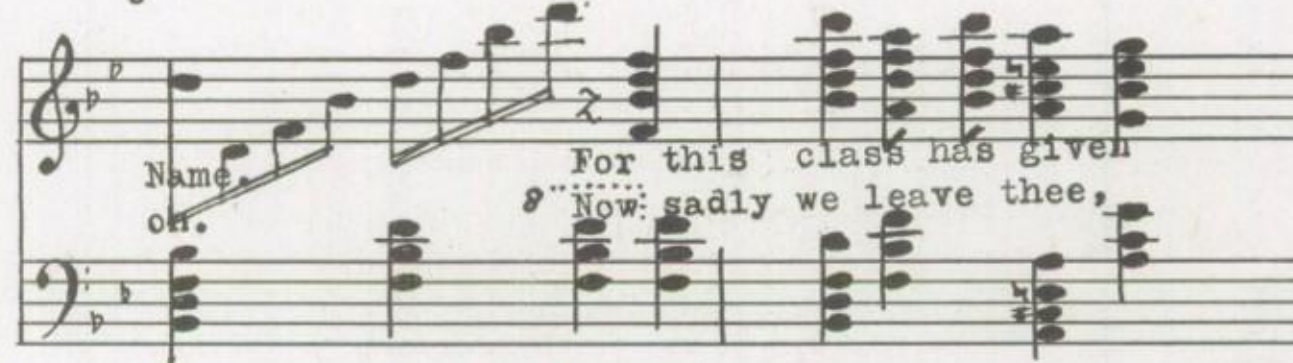

1. We bid farewell to dear Audubon, As the
2. We shall ne'er forget what you have done, Alma

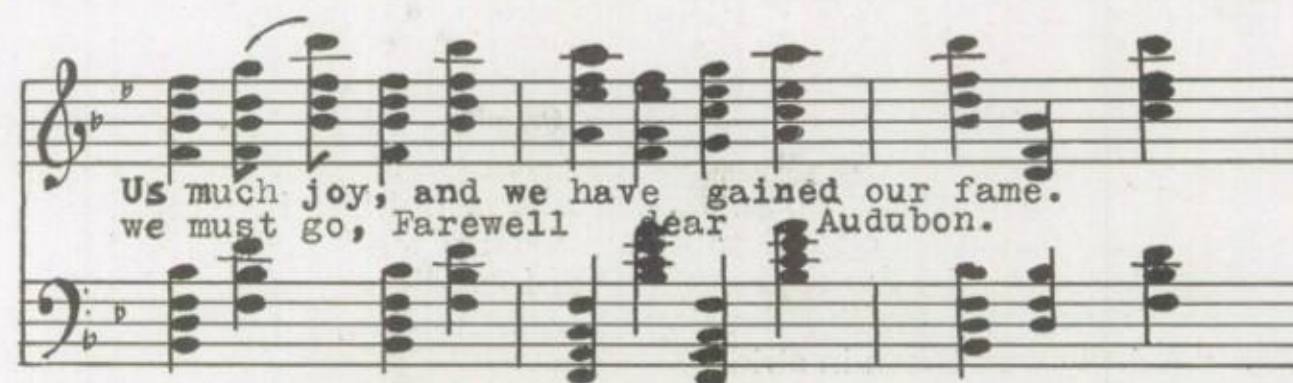

class of thirty-eight. Now we have but
mater for our class. Many battles

memories so dear; And we'll cherish this our
we have fought and won, As you ever led us

Name on. For this class has given
Now: sadly we leave thee,

Us much joy, and we have gained our fame.
we must go, Farewell dear Audubon.

Childhood's drawing to a close;
Our carefree days are o'er.
Childish pleasures we once knew
Hold thrills for us no more.

Carefree minds and happy hearts
Are childhood's greatest boon;
But Time, the master of our lives,
Can change them all too soon.

Minds expand to greater needs,
And hearts soon learn to feel
There's something more to life than fun —
There's something big and real.

Joy, sorrow, fear, and hate —
We'll feel them all in time;
And find as life flows steadily on
That everything won't rime.

A coward has no place in life
Though sweet that life may be;
Heroic hearts have found it hard
To live courageously.

So at this parting of the ways
As out in life we start,
Keep the pliant mind of youth
And childhood's happy heart.

Subscribed, sealed, published and declared by us, the Class of 1938, as and for our last will and testament, drawn up on this, the ninth day of June, in the year nineteen hundred and thirty-eight, at the Borough of Audubon, in the County of Camden, in the State of New Jersey.

IN MEMORIAM

Mrs. Edna Llewellyn Purcell

We, the Class of 1938, pause here a moment in reverent tribute to the beautiful memory of Edna Llewellyn Purcell. It is indeed hard to realize that never again shall we see the bodily form of her who was once so vibrant with the joy of living; but we know her singing spirit has left a lasting melody in the hearts of those who remain behind.

Mrs. Marguerite Ayres Franzen

She came to us young, buoyant, and full of cheerful life. And we were young. Perhaps that is why she understood us so well, and why we so greatly miss her. She knew that life was beautiful and made us feel and understand this beauty. For us Marguerite Ayres Franzen will always symbolize the kind, gracious, happy life. Her spirit is with us still and points to brave and happy living. In that bright land to which she has gone, we hope there is some way by which she may know fully what we can only partially express when we say: we miss her, we miss her smile, her words of fine encouragement, her cheerful help. We miss her because she was both our teacher and our friend.

With this group of loyal followers and their handsome drum major, "Jack" Heake, accompanying our team, is it any wonder we have a state championship? Service is the keynote of the High School Choir. The Audubon churches, the Eastern Star of both Audubon and Haddon Heights have enjoyed the sacred music of this talented group.

At Christmas it sponsored for the first time a reunion at the local Methodist church in the form of a candlelight service.

The members had the pleasure of singing in the Trenton High School Choir Festival, as well as before many high school audiences throughout the state.

The baccalaureate service each year is enriched by the musical renditions of these boys and girls.

FOOTBALL

1937

Bill Muench

This year the members of our team, displaying a spirit of unselfish cooperation, fought their way through a tough schedule to an All-South Jersey Group III title. Also in a post season game with Carteret, they established themselves as the mythical All-State champions. Several of the team members received added recognition. Stanch, Vernamonti, Cochran and Ingham acquired berths on the All-South Jersey Group III team; Stanch and Cochran, on the All-South Jersey team; and Byrne, on the All-State team. Much of the credit must be given to the coaches, Mr. Picken, Mr. Grimberg, and Mr. Oldham; for without their inexhaustible football knowledge and infallible resourcefulness such a record could not have been attained.

The members of the team were: Captain W. Byrne, R. Cochran, T. Crowley, P. Stanch, J. Mack, L. Vernamonti, F. Daly, F. Mitchell, C. Basler, J. Ingham, E. McElvarr, W. Muench, W. Talarico, T. Brown, J. Byrne, W. Lundgren, J. Knudsen, F. DuCoh, W. Ulrich, R. Kimmel, and J. Grace, manager.

The hockey season this fall was marked by an increased manifestation of interest in the sport. Receiving opposition throughout the campaign for the wresting of the championship from the Woodbury team, the girls were finally defeated by it in a play-off game at Collingswood. This was one of the best games of the season, and the fighting spirit displayed by the players will never be forgotten.

Audubon placed several members on the All-South Jersey team. They were Anna McConaghie, first team; Captain Ruth Hall, Jean Maynard, Marion Johnson, and Dorothy Schregler, second team.

A memorable occasion was the banquet given at Newlin's restaurant in Moorestown, where the girls were presented with small, silver hockey balls in recognition of their successful season.

* Signifies the games forfeited.

After losing three of its first four games, Audubon continued through the remainder of the league schedule surrendering only two more, while winning eight. However, three games were forfeited due to the ineligibility of "Bill" Ulrich, and the season ended showing the "Green Wave" with six games won and eight lost. Our rating for participation in the Group III tournament, however, showed eleven games won and seven lost, which earned us a try for the Group III crown. We defeated Moorestown 35-33, but were eliminated by Palmyra 20-18.

Daly led the way in scoring for the season with 128 points and was closely followed by "Tom" Crowley, who gathered 126 points. This, however, did not include the tournament games.

The letter men this year were Captain R. Cochran, T. Crowley, F. Daly, J. Raban, J. Mack, T. Brown, J. Spence, J. Whittaker, J. Sweeten and M. Sampler, manager.

The team had a highly successful year in league competition. Under the guidance of Miss Brady, the members finished in third place after a closely fought contest. At first, the team was just another team, but it was soon evident that the girls were among the best in the league. With most of the players back next year, the girls should have another good season.

The team is composed mostly of veterans, therefore we expect the boys to go far this year. The members of the team are Captain Mack, Sampler, Raban, Thinnes, Sweeten, Cochran, Bayne, Byrne, Grubb, Heitman, Spencer, Tapper, Muench, and Manager Lundgren. Coach Picken undoubtedly has his eye on the championship this year.

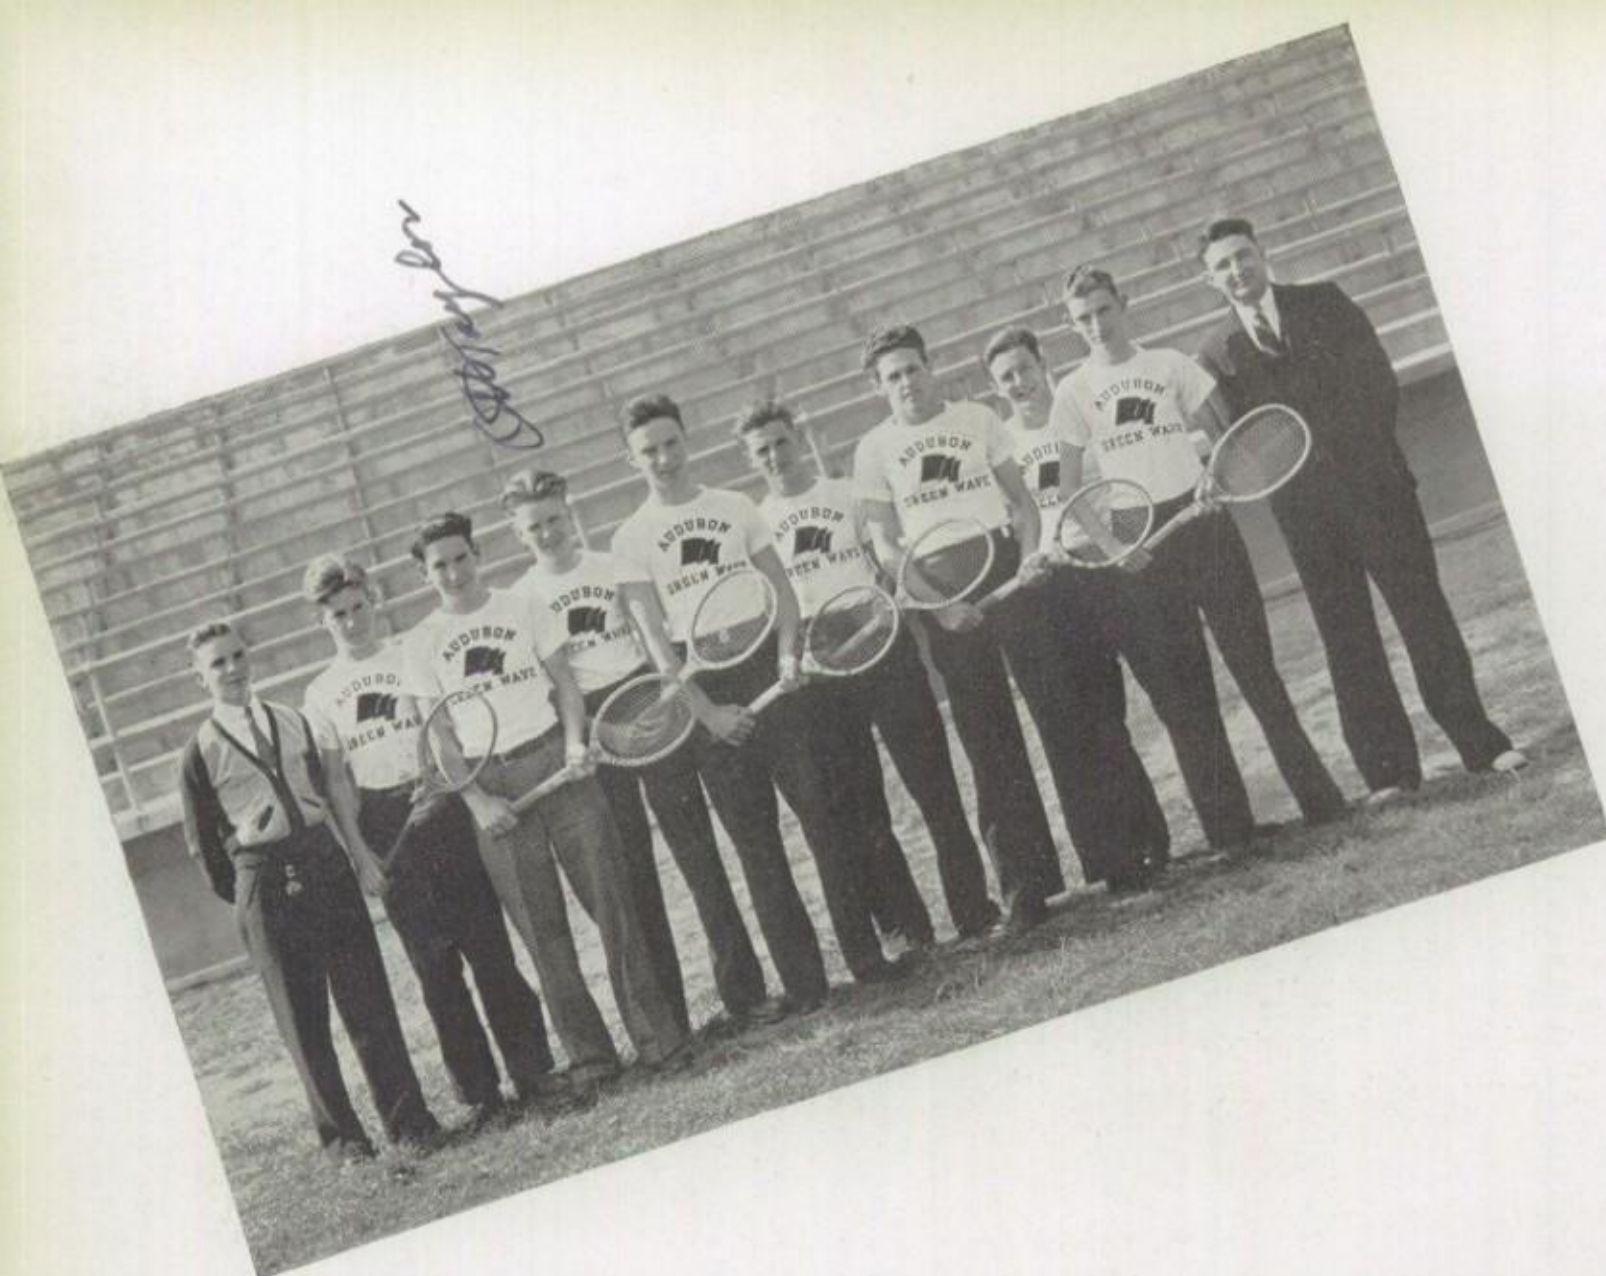

Although it is a comparatively new sport at Audubon High School, a great "crop" of players answered the call for soccer practice this year. We all hope that Mr. Magill turns out even better teams in future years.

The letter men this year were Captain Mackenzie, Farley, Frick, Kester, Taylor, Wescott, Gallagher, Thompson, Heins, Tapper, Stroup, Gibson, and Connor.

The team this year will be picked from among Heake, Robbins, C. Thomas, Root, A. Taylor, Goldner, and Mackerell, with all positions being hotly contended for. The following is the 1938 schedule for tennis matches:

GOLF

With four men back from last year, we hope to go places in the Courier League. The "Evening Courier" has arranged for the teams to play all their matches at different courses; for example, Iron Rock Park, Woodcrest Country Club, Merchantville Country Club, Spring Hill, Moorestown Country Club, and another club as yet undecided. The members of the team are "Bud" Bayne, "Phil" Benedict, "Ted" House, "Bill" Smith, "Jack" Leshner, and "Charley" Taylor. Mr. Neel is the coach and a very able one, too. The schedule is:

April 25	Merchantville		Woodcrest
May 2	Collingswood		Merchantville
May 9	Moorestown		Spring Hill
May 16	Haddonfield		Moorestown
May 23	Haddon Heights	..	Course undecided
June 6	Play-off		Iron Rock Park

The Audubon swimming team, now in its fifth year, deserves recognition for having placed third in the league this season. Perhaps next year, we shall have a championship team. Here's luck to the girls!

SPECIALIZING IN SCHOOL AND COLLEGE ANNUALS

YOUR RECORD

is a permanent reminder of the happy days spent in School. . . . As it reflects the ideas of your classmates and the efforts of your Committee.

The selection of a publisher who can correctly interpret your thoughts and ideas, cooperate with your Committee, and above all deliver your book when you want it, is a most important factor.

Our experience in School Book work enables us to anticipate and eliminate many of the details that are often troublesome to your Staff. This book is a product of our School Record Book Department.
